Summary of discussion:

The 2017-2018 budget is being formulated with the major intent of limiting local district costs as much as possible. Overall, the LEASE levy and personnel levy are a combined \$10,420 lower than for FY17.

Overall, the budget is about \$500,000 more than the FY17 amended budget. Of the overall increase, about \$400,000 is due to the change in funding Circuit Breaker School, with those funds being distributed back to districts. Although we won't be replacing the Assistant Director, we have added three full time positions (School Psychologist, Circuit Breaker Teacher, Speech/Language Pathologist).

Finally, C.B.S. tuition is projected to be about \$138 per day next year. The increase is due to the change in the use of IDEA Funds to fund the program.

Agenda item: Review the IMRF audit and approve IMRF resolution/IMRF form 672 to include compensation paid under an IRS code section 125 Plan as IMRF earnings.

Summary of discussion:

Ms. Chapman shared that we had two audit findings indicated in the IMRF audit. The first one has to do with tax sheltered insurance premiums. In 2010 when we first began charging employees for their insurance, we should have either passed a resolution to include those deductions as IMRF gross earnings compensation or deducted the premiums from IMRF gross earnings compensation. If the Executive Committee passes the resolution today, no other action is necessary by the cooperative.

The other finding is related to how income is reported to the IRS for Julie Kirkpatrick. Julie is the only employee who receives Board paid Member IMRF. When setting up payroll for Julie in STI/Chalkable in 2014, the payroll was setup to tax her gross income, including her IMRF Board paid member contributions. Because IMRF member contributions are not subject to federal or state income tax until they are returned to the member, Julie was actually overtaxed for that time period. To correct the matter, IMRF is going to mark those contributions as “previously taxed” and we will correct the payroll error going forward.

Re: End of Month Report/May

Date: May 31, 2017

The month began with celebrations to honor teachers and paraprofessionals. All staff enjoyed a luncheon on Teacher Appreciation Day.

Circuit Breaker honored two staff members at the Excellence in Education Banquet. High School teacher, Jane McLaughlin and Maintenance Supervisor, Steve Thrush, attended the banquet along with those honored from LEASE.

Qualifying high school students traveled to the Illinois State University Planetarium as part of their Earth Science class.

Mr. Nelson arranged for the K-2 class to attend the Instrument Zoo at LaSalle Peru High School. LP students and staff shared their knowledge and talents.

All 8th grade and seniors posed for several complimentary graduation pictures they received at the graduation ceremony.

CBS high school hosted a week-long transition summit. Visiting speakers included representatives from IVCC, BEST, social security, DHS, Tri-County Opportunity Council, Youth Service Bureau, North Central Behavioral Health, Salvation Army, and LaSalle County Housing Authority.

We hosted seven visits from families of students who will be new to CBS next school year.

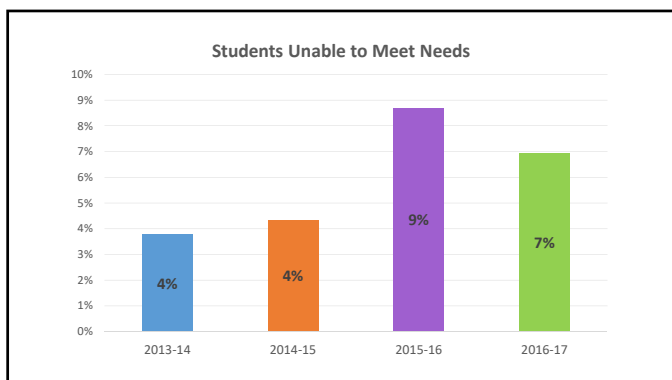

PBIS consultant, Rebecca Harris, assisted us with wrapping up the year providing four-year trend data. Staff, team, and outside evaluator surveys indicate a strong system of support for students and targeted areas of need including additional tier 2 and 3 supports and analysis of specific behavioral concerns such as bullying and staff disrespect.

A whole-school bowling trip was the end of year celebration. Staff and students spent their final afternoon of school at the Super Bowl in Peru.

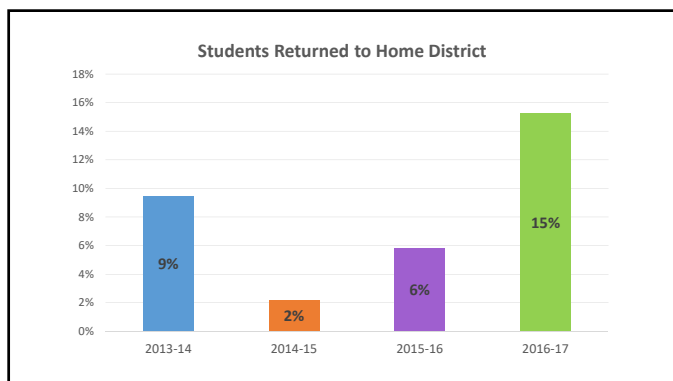

The graduation ceremony was a success with a speech given by 8th grader, Talon Staublein, from Ottawa Elementary and diplomas awarded by Matt and Mary Jane. A total of 11 eighth graders and 4 seniors graduated.

Please see attached trend data requested by the Executive Board. The report was compiled and prepared by office staff, Georgette Szafranski and Kim Snell.
