

IVTPC

11-4-16

We began the meeting with introductions.

We spoke about the IVTPC website explanation sheet. Kristie sent it out to her students' parents and got positive feedback from them. Marla read an e-mail from Bridget from BMP who said that the Coordinators thought it was a great idea.

Exploring Transition

Putnam County started theirs.

Circuit Breaker, Streator, LP and Ottawa plan to.

We talked about the Transition Conference and the workshops we attended. Kate talked about the app she found out about named Mood Meter that costs 99 cents, that she really likes for students.

We spoke about another conference we know about for mental health that is the NAMI PIAT conference.

Agency information:

IVCIL – Nov 8th Autism & ABA Therapy workshop at IVCIL from 6-8pm

Horizon – doing CARF accreditation

Friendship – 50th anniversary, video online at OttawaFriendship.com, also they are doing CARF accreditation

Streator – they are doing the U of I Extension healthy eating and cooking safely

Circuit Breaker – did their first community field trip

We had a discussion about group shopping and money. Kristie talked about apps they use called Grocery IQ and MY LIST.

Kanthak House – They are an Intermediate Care Facility (ICF). The group shared their thoughts on the type of residential supports that are needed in our community.

LP High School – They have started work on their house – they had an open house for their board and will probably get in there by January.

The next meeting will be December 9th at Friendship House in Ottawa from 1:00 pm – 3:00 pm.
